

Where to Find Lesson Activity Toolkit 2.0 Items

The Lesson Activity Toolkit provides customizable tools and templates that you can use to create interactive lessons specific to your objectives. The LAT is located within the Gallery. You can find the *Gallery tab* on the side of your SMART page. To view the subcategories in the LAT click on the + sign before LAT, and then choose the folder where the item you want to use is located. You can also use the search box to type in the item. Next, select the LAT item you wish to customize and double click on it or drag it into the page. Finally, use the **edit button** or **double arrows** to customize!
